

## Costs and Limitations of Certified Health IT

Capability	Description of Capability	Costs or Fees <i>Types of costs or fees that a user may be required to pay to purchase, license, implement, maintain, upgrade, use, or otherwise enable and support the use of the implementation or use of the capability -OR- in connection with the data generated in the course using the capability</i>	Contractual Limitations <i>Limitations of a contractual nature (including developer policies and other business practices) that a user may encounter in the implementation or use of the capability -OR- in the connection with the data generated in the course of using the capability</i>	Technical or Practical Limitations <i>Limitations of a technical or practical nature that a user may encounter that could prevent or impair the successful implementation, configuration, maintenance, support or use of the capability -OR- prevent or limit the use, exchange or portability of any data generated in the course of using the capability</i>
<p>Direct messaging functionality (including transitions of care and clinical messaging functionality).</p> <p>[Relevant certification criteria: §§ 170.314(b)(1) and (2), h(1)-(3).]</p>	<p>This functionality allows users to send and receive Direct-based messages to/from other users of certified health IT systems using an integrated third party product called EMR Direct. Direct messages may include clinical data, notes, and other information, subject to the limitations noted.</p> <p>Our Direct offerings support related Meaningful Use and ONC requirements for sending and receiving transitions of care summary documents. We also support a range of other messaging options.</p> <p>Our Direct capabilities include bundled Health Internet Service Provider (HISP) services for facilitating message exchange. However, see costs and limitations and additional information that may apply.</p>	<p>There is a one-time fee of \$250 per clinic location and an additional annual fee of \$75 per provider. The per provider fee is paid annually.</p> <p>Users pay Phunkey, Inc., which passes the payment through to EMR Direct.</p>	<p>Pursuant to EMR Direct’s security policy, the direct message capability is restricted to others HISPs in the Direct Trust Network.</p> <p>The Organization Representative (user) must complete, and have notarized, a form verifying credentials and submit it to EMR Direct before they can implement the functionality.</p>	<p>There are no technical or practical limitations.</p>

## Certificate of EHR Compliance

This is to certify that:  
**HSWorx EHR 2**

Phunkey, Incorporated  
HSWorx EHR – Version 2

To Drummond Group:

The Mandatory Disclosure statement of costs and limitations for our certified product(s) is attached to this letter and will be posted along with the required product information on our website here:

[hsworx.net](http://hsworx.net)

We agree to notify Drummond Group of any and all future changes to our transparency and disclosures language for this certified product-version.

We understand and agree that the ONC Health IT Certification Program Final Rule statement gives Drummond Group, as an ONC-ACB, the sole responsibility for ensuring compliance and determining appropriate consequences if EHR technology developers fail to divulge accurate transparency and disclosures information.

We understand and agree that we will provide to Drummond Group copies of or give access to any and all websites, marketing materials, communication statements, and other assertions made by your organization regarding the ONC certification status of this product in a reasonable time to ensure the transparency and disclosures information is being accurately disclosed

Sincerely,  
Phunkey, Incorporated
